WHY WE RALLY

We rally in memory of our son, brother, uncle, nephew, grandson and friend Taylor Hagen who died by suicide on Jan. 6th, 2017.

Taylor had a very loving, kind and energetic soul; he could light up any room with just a smile. Shortly after Taylor passed away our family found his bucket list. Part of his list included adventures such as diving with sharks and cliff jumping in the Caribbean. He also wanted to start a clothing line called Infinite Vision that would ultimately give back to other young adults that struggled with everyday challenges.

In his honor, our family has taken that dream and made Infinite Vision Clothing a reality. The meaning behind Infinite Vision is what drives our family to keep going, persevere through our challenges, and be stronger and more determined. Most important to Taylor was to "give". So with his dream & passion we have made it our mission to do just that.

The Utah Vision Rally is in honor of Taylor and will donate to the THMF (Taylor Hagen Memorial Foundation). The THMF gives directly to mental illness programs, community resources, & various youth programs. Together with THMF & Infinite Vision Clothing LLC, we will continue to honor Taylor and his dreams. We miss Taylor every minute of every day, and there will forever be a piece missing from our worlds, but we are also very grateful for the time we had with him. He left us with his dreams and ideas to help us heal ourselves by healing others, spreading awareness and giving back in our communities.

Thank you all for your unending love and support,

The North & Hagen Family & Friends!
